Dispute Resolution Process

Our commitment to you

Guild Insurance Limited works hard at building strong individual relationships with its clients. This requires communication, accessibility, and a commitment to quality products and services, in order to produce an organisational culture focused on exceeding client expectations. However, even in this situation, disputes do inevitably arise and we have therefore developed the following Complaints and Dispute Resolution Process which is fair, efficient and accessible to all our clients.

Complaints

If you would like to make a complaint you should telephone our local regional office on 1800 810 213 and speak to one of our friendly staff, who will do their best to assist you. If our staff member is not able to resolve your complaint they will refer the complaint to the Regional Manager who will do their best to assist you.

We will respond to your complaint within 15 business days provided we have all the information necessary to deal with your complaint. Where we need further information we will agree on an alternative timeframe with you.

Where a complaint cannot be resolved by the Regional Manager, you can request that the matter be referred to the National Claims Manager who will treat your complaint as a dispute and endeavour to resolve it.

The Dispute Resolution Process is available at no cost to you. We will keep you fully informed throughout the process and will reply to you within 15 business days provided we have sufficient information to deal with the dispute. Where we need further information we will agree on an alternative timeframe with you.
