What you must tell us

When answering our questions you will need to answer for yourself and anyone else who may receive a benefit under this insurance cover. It is important that you answer our questions truthfully and accurately, as they may affect our decision to insure you or pay a claim.

If more than one person is insured under this policy, a failure or wrongful action by one of those persons may adversely affect the rights of the other person(s) insured under this policy.

Your duty of disclosure

Before You enter into an insurance contract, You have a duty of disclosure under the Insurance Contracts Act 1984.

If We ask You questions that are relevant to Our decision to insure You and on what terms, You must tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until We agree to insure You.

If You do not tell Us something

If You do not tell Us anything You are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

Exclusions applicable to your policy

Your policy may not provide you with cover in certain circumstances. Information about things that are not covered is included in each section of your policy under the headings 'We do not cover:' and 'We will not pay for:' Further information about exclusions that apply to all sections of your policy is contained on page 14.

Sum insured

The sum insured shown on your policy schedule includes taxes and charges and is the maximum amount we are obliged to pay in settlement of any claim unless otherwise stated in your policy.

Premiums

The amount we charge you for this insurance when you first insure with us and when you renew is called the premium. We calculate your premium after taking a variety of factors into account. Some factors can affect the amount of your premium. The higher your risk profile, the higher your premium. Using our experience, we decide what factors will increase your risk profile and how they impact on the premium.

The following table is a guide on how these factors combine together and may influence our assessment of the risk and therefore, your premium.

Factor	Premium may be lower	Premium may be higher
The suburb where your vehicle is kept	Lower risk postcode	Higher risk postcode
How you garage your vehicle	Off street parking	On street parking
The make and model of your vehicle	Lower risk vehicle	Higher risk vehicle
The estimated distance your vehicle travels each year	Lower kilometres	Higher kilometres
The number of days you use your vehicle to drive to work	Fewer days	Everyday
The value of your vehicle	Lower value	Higher value
The way you insure your vehicle	Market value	Agreed value
The number of different drivers	Fewer drivers	More drivers
Age and gender of the driver(s)	Lower risk age group	Higher risk age group
Security devices fitted to your vehicle	Approved security devices that reduce the risk of theft	No security devices
Excess selected	Higher excess	Lower excess
Your claims and accident history	Had no claims or accidents	Had some claims or accidents
Optional additional benefit covers selected	None	Some

Your premium also takes into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. stamp duty, GST and fire services levy) in relation to your policy. These amounts will be shown separately on your policy schedule as part of the total premium payable.

Discounts

We offer special promotional discounts to some customer groups from time to time. Any discounts you are entitled to are included in the premium we charge you.

Details of special promotional discounts that may be offered from time to time, and your eligibility for any discount, are available in our 'Guide to Premiums, Discounts and Excesses'. You may obtain a copy of this guide by:

- visiting our website guildinsurance.com.au
- calling us on **1300 988 988**

Excess

When you make a claim under your policy, you may be required to pay an excess in respect of your claim.

We will tell you when an excess is payable. You may need to pay more than one excess when you make a claim.

Excesses that may apply to your policy and the amounts will be shown on your policy schedule. The types of excess that may apply are:

- **Standard excess**

This is the minimum amount that you may be required to contribute towards your claim.

- **Age excess**

An additional excess will apply to drivers who are under the age of 25. The age excess is in addition to your standard excess or any imposed excess that we have applied. This excess does not apply to a learner driver.

- **Inexperienced driver excess**

An additional excess will apply to learner drivers or drivers who are over 24 years of age but have not held their Australian licence for two consecutive years or more. The inexperienced driver excess is in addition to your standard excess or any imposed excess that we have applied.

- **Imposed excess**

If we consider that your insurance history, driving record, vehicle type or for other factors requires it, we may apply an imposed excess to your policy that replaces the standard excess.

Premium payments by instalments

When you pay your premium by instalments:

- if a premium is overdue for a period exceeding 14 days we may refuse to pay any claim arising from an event that happens after the due date of the instalment

- if a premium is overdue for a period exceeding one calendar month we may cancel your policy, and
- if we agree to pay your claim, we will deduct any outstanding premium from the claim payment.

Cooling off period

You have 21 days from the day we issue your policy schedule to ensure the cover meets your needs and you are completely satisfied. If for any reason you are not, please contact us by calling **1300 988 988**.

We may agree in writing to alter the cover and issue a new policy schedule. Alternatively, you may cancel your policy within the 21 day period and receive a full refund of your premium provided no event has occurred for which a claim is payable under your policy.

Cancelling this policy

You may cancel this policy at any time by giving us written notice.

We may cancel this policy in accordance with the Insurance Contracts Act.

We will retain from the premium you have paid to us an amount that represents the period you were insured by us and refund the balance. This amount will be calculated from the date of cancellation. If you pay your premium by instalments, you must pay us any unpaid instalments that are due.

Other important information

Driver particulars

You must give us prompt notice of any:

- addition to or change in regular drivers of your vehicle
- accidents in which you or any regular driver of your vehicle are involved, and
- driving offences of which you or any regular driver of your vehicle are convicted.

Other persons bound by this policy

Notification of change

You must notify us as soon as possible if any change is made to your vehicle which might affect the nature of the risk covered by this policy.

Breach of policy

If you fail to comply with this policy and your breach or failure prejudices our interests, subject to the Insurance Contracts Act, we may refuse to pay any claim under this policy either in whole or in part. We may also choose to cancel your policy, or do both.

Legal representation

We may represent or defend you or any person entitled to cover under this policy in respect of legal liability as we see fit at any inquest or inquiry, or in any action or proceedings.

Inspection

We may have free access to examine your vehicle at all reasonable times.

Fraudulent claims

If any claim made under this policy is made fraudulently, subject to the Insurance Contracts Act, we may refuse payment of the claim, or cancel your policy, or do both.

Hazardous goods

If you are carrying or using hazardous goods or substances with your vehicle, you must comply with all applicable laws and regulations.

GST

Sums Insured

The Sum Insured that you choose should include Goods and Services Tax (GST). In the event of a claim, if you are not registered for GST, we will reimburse you the GST component in addition to the amount we pay you. If you are registered for GST, you will need to claim the GST component from the Australian Tax Office. Where you cannot claim the GST component in full, we will reimburse you the unclaimed GST component in addition to the amount we pay you.

Claim Settlement

Where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you are, or will be, or would have been entitled to under the GST Act in relation to that acquisition, whether or not that acquisition is actually made. Where we make a payment under this policy as compensation, instead of for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to under the GST Act had the payment been applied to acquire such goods, services or other supply.

Disclosure of Input Tax Credit Entitlement

You must advise us of your correct input tax credit percentage where you are registered as a business and have an Australian Business Number. Any GST liability arising from your incorrect advice is payable to you.

Paying your claim

When your vehicle is a total loss

Agreed value

When you have selected this cover, if we agree to pay your claim and your vehicle is a total loss, we will pay you the agreed value of your vehicle shown on your policy schedule.

Market value

When you have selected this cover, if we agree to pay your claim and your vehicle is a total loss, we will pay you what the market would have paid for your vehicle immediately prior to the loss, including any accessories or modifications we have agreed to insure. Market value takes into account the age, make, model, kilometres travelled and condition of your vehicle immediately before the event. We will use recognised industry guides to help calculate the amount.

Retaining your vehicle after total loss

After a total loss we will retain your vehicle for salvage purposes. This includes all modifications and accessories fitted to your vehicle and the value of any unexpired registration (unless legislation in your state provides otherwise).

If we agree you can choose to keep your damaged vehicle. We will determine the salvage value of your damaged vehicle and deduct this amount from your claim.

Assistance

We may wish to recover the amount we have paid to you in a claim from another person. Subject to the Insurance Contracts Act, we can ask you and any other person entitled to cover under this policy for assistance and you must give us any information and help that we may reasonably require.

What happens to your premiums

When we agree to pay your claim and your vehicle is a total loss, all our obligations under this policy will be fulfilled.

If you pay your premium annually, you will not receive a refund of premium.

If you pay your premium by instalments, we will deduct any remaining instalments from the amount of the claim before we pay you.

You will need to take out a new insurance policy for any replacement vehicle.

When your vehicle can be repaired

Repair quotations

To ensure your claim is handled quickly, we can organise the entire quote and repair process on your behalf.

Our independent assessor can obtain a minimum of two quotes from repairers, which can include a quote from a repairer of your choice. The assessor will review the quotes and determine what is necessary to repair your vehicle.

We will choose the repairer who has submitted the more competitive and complete quote to repair your vehicle.

Lifetime guarantee on repairs

The quality of the workmanship and materials authorised by us and used in the repair of your vehicle will be guaranteed for the life of your vehicle while you own it. This includes any repairs outsourced to a specialist. However, we will not pay for any rectification work that we have not authorised.

Replacement parts

When your vehicle is within the manufacturer's new vehicle warranty period, we will use original equipment manufactured (OEM) parts when we authorise repairs to your vehicle. However, Australian manufactured or Australian design rule compliant parts may be used for the replacement of windscreens and window glass.

When your vehicle is outside the manufacturer's new vehicle warranty period, we will use new and/or reconditioned original equipment manufactured (OEM) parts when we authorise repairs to your vehicle. However, Australian manufactured or Australian design rule compliant parts may be used for the replacement of windscreens and window glass. We may use parts produced by OEM suppliers for the repairs of some components such as radiators and air condensers.
